PROFESSIONAL SUMMARY

Computer Science Engineering student at Jain Institute of Technology (JIT), Davanagere, passionate about full-stack development, AI, and modern software engineering. Experienced in building responsive web applications, interactive dashboards, and IoT solutions using React, TypeScript, JavaScript, Node.js, and Tailwind CSS. Seeking internship opportunities to contribute to impactful products while continuously improving technical and problem-solving skills.

EDUCATION

Bachelor of Engineering (B.E.) – Computer Science Engineering Jain Institute of Technology (JIT), Davanagere Expected Graduation: 2029

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Python, C, HTML5, CSS3, SQL

Frontend: React.js, Vite, Tailwind CSS, Framer Motion, GSAP

Backend: Node.js, Express.js, REST APIs

Databases: MongoDB, MySQL

Tools: Git, GitHub, VS Code, Postman, Figma, Arduino IDE

AI/ML: OpenAI APIs, Google AI APIs, NumPy, Pandas, Scikit-learn (Learning)

EXPERIENCE

Co-Founder — XTICH (Student Apparel Brand)

Collaborated on branding, digital presence, marketing strategy, and product planning for a student-focused apparel initiative.

PROJECTS

ShreyasMH Portfolio

Built a premium portfolio using React, TypeScript, Tailwind CSS and animations, showcasing projects, skills and resume.

SecureVault

Developed a password manager with password generation, strength analysis, search and category management.

Trading Journal

Created a professional dashboard for trade tracking, analytics and performance visualization.

Srinidhi Eye Care

Designed a responsive healthcare website focused on usability and modern UI.

Doubt System

Built a JavaScript application to organize and manage student doubts efficiently.

IoT Laser Security System

Developed an ESP8266-based laser security system with Telegram notifications.

ACHIEVEMENTS

7+ public GitHub repositories.

88+ GitHub contributions in the last year.

Built multiple independent full-stack and frontend projects.

Continuously learning AI, Machine Learning and modern web technologies.
